The Program

For the past 41 years Brighton Rotary Club and District 7120 have home hosted over 489 Governors Elect and their spouses from 37 countries worldwide. The idea for the program was conceived in 1969 by PDG Milt Matthews, and has been copied by many other Districts throughout the United States.

Each Governor Elect guest is assigned two Rotary hosts. Their first host meets them at the airport on arrival and takes them to their home. In the middle of the stay, everyone meets at Brighton Rotary Club's Exchange Dinner. All the hosts and

guests have the opportunity to get acquainted and share Rotary experiences. When the meeting is over the guests leave with their second host for the balance of their stay.

The following pages include some of this year's activities. If you are an alumnus of our hospitality program we hope this issue brings back fond memories, and that you will be reminded to recommend our program to your next Governor Elect. If you are a Governor Elect we hope this newsletter will entice you to sign up for our hospitality program. To contact us see page 8.

Victor-Farmington Club Activities By Dave Luitweiler

Our guests - the Harman's - had a busy second day on Thursday (1/14). The day began with breakfast at our house followed by a visit to New Energy Works [1] where Karen and her employer, Jonathan Orpin (red shirt), hosted us and PDG John Hall, for a great tour of their business and James met their mascot [2]. This has become an annual part of the Victor-Farmington Rotary Club's hospitality program for visiting Governor's Elect. Our young Australian - Jason Harman - was well decked out with his Rochester American's ball cap and Buffalo Bills sweatshirt. Maybe - someday - Jason will return and we can take him to Mecca - Wrigley Field - to see the Cubs play. Anyways, after our tour we made a stop at McGhans Pub [3] in Victor for coffee, tea and soda to make certain all was going as planned for our evening social event at the pub. It also gave our guests the chance to meet the proprietor, Clem McGhan, as well as some of the "regulars" that Judy and I share our coffee and tea with each morning.

We then proceeded up to Rochester where we did a tour of the downtown area - Corn Hill - Broad Street area re: Genesee River and old Erie Canal aqueduct - and then out Lake Avenue - Kodak Park - until we reached Lake Ontario [4]. The entire Charlotte and Ontario Beach Park area was a winter wonderland and the weather had moderated with sunny skies[5]. We had a walk through the beach area, port area and along the river [6]. The Harman's -- throughout their visit -- have been interested in the history of the Rochester/Finger Lakes area -- how the area came to be settled -- the architectural history/aspects, etc. The drive up Lake Avenue from the center of the city was interesting to them as they could see the architectural changes in buildings as the city expanded from the mid 1800's to the mid-20th century. They also noted the frozen "beach" and winter scenes at Charlotte as -- as Andrew explained - the word "beach" in Australia is only associated with white sand and hot weather.

After their winter walk around the lakeshore we adjourned to another Rochester lakeside landmark - at least to Judy and I - the Summerville Grille - for lunch. Young James devoured a half-pound burger and fries in record time. The days touring concluded with a visit to Eastview Mall [7][8]. We then returned home for a few hours downtime. President John Summers and his daughter, Caroline -- who hopes to be a Rotary Exchange student to Australia -- stopped by for a chance to chat with Jessie and Andrew.

The evening's activities would include the traditional club social event at McGhan's Pub [9][10].

Letter from Deanna

TO: Milt Matthews Governor-Elect Hospitality Program Alumni

Dear friends. And, after 10 months of communicating with you, I feel that we did, indeed, become friends. It was a pleasure for me to meet each of you at the Airport, and to become acquainted during your stay in D7120. I do hope that one day we will meet again.

Congratulations on becoming Governors of your districts, and I send best wishes to each of you for a most successful year.

Yours in Rotary,

Deanna
